MARGARITA COLLECTION

*Introducing our Margaritas -
inspired by the colourful stories,
history and characters of this
much-loved cocktail.*

All day Monday - Friday

THE DAISY

12.5

El Tequileño Blanco | fresh lime | agave

Long before (think mid-1800s) everyone was drinking Margaritas, there was The Daisy – a refreshingly tart cocktail with lightly sweet undertones. In Spanish, 'Margarita' means Daisy.

THE ROSITA RITA

13.0

El Tequileño Blanco | El Bandarra Al Fresco | Maraschino | agave | fresh lime

Folklore says that the cocktail was invented in 1938 by Carlos "Danny" Herrera, bartender at the Rancho La Gloria bar, on the old road between Tijuana and Rosarito Beach in honour of beautiful Mexican showgirl Rita de la Rosa.

THE PEGGY LEE

13.0

El Tequileño Blanco | fresh watermelon | lychee | fresh lime | agave

Another popular origin tale started at the iconic Balinese Room in Galveston, Texas, where head bartender Santos Cruz created the Margarita for legendary jazz singer Peggy (Margaret) Lee after a performance of her Latin-inspired song 'Mañana'.

THE RUSTY THOMSON

13.5

Cazcabel Honey | Beesou bitter aperitif | homemade lemonade | Gosnell Wildflower

Some say the Margarita was invented in October 1961, at a party in Houston, Texas by partygoer Robert James "Rusty" Thomson who was acting as a bartender. Story goes, he ran out of rum while making frozen daiquiris and thus concocted the Margarita after experimenting with other spirits.

COFFEE

Coffee for us started in our converted 1970's Ford Transit ice cream van in 2012 at the bottom of the Gherkin building in the City of London. Our highly acclaimed Daisy Green bespoke espresso blend combines speciality grade beans from Brazil, Guatemala & Colombia to create a smooth, chocolatey and nutty espresso blend with just a touch of acidity. This pairs really well with milk for the perfect flat white.
