

# PEGGY JEAN

## AT RIVERSIDE GREEN

We are delighted for you to join us on the iconic 'Peggy Jean' - a historic barge with over 100 years of history and tales on the Thames.

From humble beginnings on this tidal shore dating as far back as the mid 1850s, our barge has endured a lot in her lifetime! From supporting rowing races as the Oxford College 'Jesus Barge' until the 1960s, to almost being burnt to the ground in the late 1900s, to twice sinking upon rising tides in the early 2000s.

Working with esteemed boat builder Mark Edwards MBE, we have lovingly restored her to ensure her original features have been harmoniously blended with the iconic Daisy Green elements to maintain her historical legacy.

Daisy Green is an independent cafe and restaurant operator with a small number of carefully curated bespoke spaces across the UK. The focus is on carefully (and sustainably) sourced fresh Mediterranean ingredients with big pops of flavour, texture and hints of Asia. Our spaces are unique with art and design at the heart of everything we do.

## COFFEE

Coffee for us started in our converted 1970's Ford Transit ice cream van in 2012 at the bottom of the Gherkin building in the City of London. Our highly acclaimed Daisy Green bespoke espresso blend combines speciality grade beans from Brazil, Guatemala & Colombia to create a smooth, chocolatey and nutty espresso blend with just a touch of acidity. This pairs really well with milk for the perfect flat white.

## TEA

We first met Emilie, the founder of Good & Proper Tea, in 2012 when we had both just started out in the street food business with our vintage vans.
