SCARLETT GREEN

In true Aussie style, our food is centred around simple great quality ingredients cooked over fire and served with big flavoured sauces and layers and pops of flavour and texture. Our food is light and vibrant yet comforting and homely.

We pair our food with the wine of some of Australia's most 'lazy' low intervention winemakers with a focus on steely cool climate wines with high minerality.

SOURCING

Our smaller plates, Our starters cover a number of home inspirations, including our fresh and vibrant halloumi fries, which are a shout out to our much loved Greek community (the largest outside Greece). Likewise our neighbours in Asia and the Indian Ocean provide lots of exciting pops of flavour and creativity to our food.

Plants, our philosophy is that fire isn't just for meat and we are just as focused on bringing out the best we can in great seasonal vegetables. We use simple (but often time consuming) processes, from in house fermentation to jamming, to extract rich and flavoursome results.

From the sea, our focus is on wet fish caught daily off the coast of Poole by family small day boats using traditional lines. This low intervention style of fishing is naturally sustainable and ensures maximum freshness and flavour.

From the land, we source all of our beef and prime lamb from family butcher HG Walter. Our prized rare breed steaks are lovingly raised on English pastures, grass fed & dry aged for 28+ days. They are one of the few butchers still ageing and butchering whole carcass. Cooked over hot charcoals, our meats are tender, juicy & full of flavour.
